Musical Beauty

Musical Beauty is a project created by two conservatory-trained musicians: a clarinetist and a soprano. Ane López de Aguileta performs with the Basque Women's Orchestra, and Garazi López de Aguileta performs with Project'Òpera.

Musical Beauty also involves women musicians from the places where the performances take place. In this way, each event becomes a co-created local movement of women who contribute to bringing the finest music to people from all walks of life, helping to cultivate a better world through the best music.
